§ 23.1 Purpose.

It is the policy of this Department to encourage the development of the mineral resources under its jurisdiction where mining is authorized. However, the public interest requires that, with respect to the exploration for, and the surface mining of, such minerals, ade-

NOTE: See Redesignation Table 2 of 43 CFR part 4000 to End, for appropriate sections of former subpart 3107 and part 3120 referred to in the above paragraph (b).
